Comment "Lip Sync" and the name of the team you are voting for with each donation.

## WELCOME TO OUR SHOWCASE

For two months, five teams have competed in front of a panel of judges to see who could earn the most points. Tonight, we're showcasing the very best performances from the competition and we will announce the classroom competition winner!

## PEOPLE'S CHOICE

You get to decide!

You get to vote for the best team of the night with your donations! Whichever performing group has the most money by the end of the night will be named the **People's Choice Winner!**

Help your favorite act by putting cash in their container or voting through Venmo or credit card.

Donations will be counted and the winner will be announced at the end of the night.

All donations go directly to La Center Theatre.

*Thank you for your generous support!*
